

Hide-A-Hose Retractable Hose System

Convenient Cleaning for Easy Living

It's Easy As

1-2-3.

1 The vacuum hose is stored inside the wall, enclosed within the system's vacuum tubing when not in use.

2 Pull out the length of hose you need, connect the handle and begin vacuuming. One 50 foot hose can cover 1,800-2,200 square feet.

3 When you finish, the suction from your central vacuum power unit pulls the hose back inside the vacuum tubing in the wall and out of sight. Then you simply carry your handle to the next inlet and repeat the process.

Whole-House Cleaning Convenience

Never deal with bulky central vacuum hoses again! With Hide-A-Hose, vacuum cleaning power is always close at hand when you need it. Family room carpet dirty? Simply pull a hose from the wall and clean it in seconds. With whole-house cleaning convenience, you'll spend less time cleaning and more time enjoying life.

Hide-A-Hose

Take central vacuum power to the max ...

A central vacuum system combined with Hide-A-Hose creates the perfect combination of power and convenience. Central vacuums remove 100% of vacuumed dirt, dust and allergens from your home for good. With Hide-A-Hose, there's no more dragging a vacuum or hose from room to room and no more cluttering closets. Pull a hose from any room of the house for effortless and powerful whole-house cleaning.

... with better health

Leading organizations like the U.S. EPA, the American Lung Association and the Healthy Home Institute are talking about the health benefits of central vacuums. According to the Healthy Home Institute, "The healthiest type of vacuum to operate is a central vacuum that is vented outdoors." In addition, many green building programs recommend or require central vacuums.

... more accessories

For reliable, deep-cleaning vacuum performance of carpeted areas and rugs, Hide-A-Hose systems use TurboCat or TurboCat Zoom air-driven powerheads. Also available are a wide variety of cleaning kits and accessories specifically designed for today's home furnishings and hard surface flooring.

... and an outstanding warranty

Hide-A-Hose, Inc. warrants that the hose, fittings, and valves, when used for household purposes, will be free from defects in materials and workmanship for a period of three (3) years from the date of initial consumer purchase.
